All District Education Officers-cum- District Project Coordinators
All Block Education Officers

Sub: Regarding enrollment of student allotted schools after the 2nd phase centralised-lottery conducted on 29th April 2026 U/s 12(1)(c) of RCFCE Act, 2009 for the year 2026-2027.

Madam/Sir,

In inviting a reference on the subject noted above, I am directed to say that the 2nd phase of the centralised online lottery for allotment of schools to verified students was conducted on **29th April 2026** at the Directorate of Elementary Education, Bhubaneswar. After the lottery, a list of allotted students is available in the respective BEO and DEO logins. The enrollment timeline of students in the allotted schools is from **30th April 26 to 18th May 26**.

In this regard, you all are requested to share the list of allotted students and documents of those students with the concerned schools. Schools in respective blocks should be instructed to adhere to the following directions:

- Schools should inform the allotted children to come to schools for admission.
- Schools should not demand extra documents from allotted students.
- Schools should not deny admission to the allotted students. If any schools deny admission to allotted students, BEO should demand a written explanation from such schools.
- School should not take any fee for admission and should not conduct any screening test.
- School should update the enrolled status of the students on the RTE Paradarshi Portal (<https://www.rteparadarshi.odisha.gov.in/odisha>) after admission of students by **18th May 2026**.

Moreover, inform all the allotted schools under your control to verify all the relevant documents before the admission of such students.

Yours faithfully

Joint Director
